CRAFTING INSPIRED WORKSPACES

About Tangent

Tangent is a market leading British office furniture manufacturer serving companies across all market sectors.

We add value through innovative design that recognises the trends and developments in technology.

At Tangent our manufacturing heritage stretches back over 30 years. Today, our modern manufacturing facility located in Chalgrove, Oxfordshire extends to 75,000 square feet.

All our products are manufactured to the highest standards with rigorous ISO 9001 accredited quality control system in place.

We would like to hear from you. Whatever the size of your project or stage you are at in the design process we are here to help and advise.

CRAFTED FOR YOU

In an ever evolving workspace you can be sure of quality, well-considered practical furniture solutions to meet every demand.

From design and space planning, our teams take time to deliver the very best. Quality management ensures that installations have maximum impact with minimal disruption.

SKILL & PRECISION

Our 75,000 square feet of workshops are the heart of our business and it is here that our talented teams design, develop, engineer and assemble your furniture.

High precision equipment ensures all our furniture meets our high standards and means we are able to handle the most ambitious of bespoke projects.

We have been the leading light in British office furniture design and manufacturing for the last three decades, consistently in step with rapidly changing trends in working practices, technology and legislation.

RELAY

Flexible working

FEATURE PRODUCT

Relay Bench Desking System

Relay offers unique features on a versatile and functional bench system with integrated cable management. Clean lines disguise a robust frame which offers flexible seating arrangements on a cost effective platform.

OPTIONS

Relay Plus

Sliding tops provide easy access to the integrated cable tray from the desktop, making wires and connections manageable.

ADDITIONAL WORKSPACE IDEAS

Spot Storage

Relay collaborative tables

Operator and task chairs

Monitor Arms

QORE

Infinite possibilities

FEATURE PRODUCT

Qore

A desking concept with a wide spectrum of possibilities to match demands. Both practical and aesthetically pleasing, Qore is ideal for today's changing office space.

OPTIONS

With many configurations, you can utilise space and reduce costs. Options include shared leg or interchangeable U and Cantilever legs or panel end in 4 finishes.

Plus, multi-use cable ports for monitors and shelving.

ADDITIONAL WORKSPACE IDEAS

Zip Screens

As shown, a perfect way to divide workspaces with a choice of finishes and tool rail options.

Pedestals

Keep working areas tidy and personal belongings tucked away with our range of under desk MFC and steel pedestals.

NEO EVOLUTION

Reconfigure your office

FEATURE PRODUCT

Neo Evolution Desk and Table Systems

Neo is a height adjustable post and beam system incorporating worksurfaces, simple cable management, screens and accessories. Neo is the complete package solution providing a large number of configurations which can be easily changed to suit different workstyles.

OPTIONS

Variety of heights, posts, beams and top supports

Choice of leg styles available in Silver or White.

Superb selection of worktops

ADDITIONAL WORKSPACE IDEAS

Tables

Matching looks for your meeting space.

Monitor arms

Raise monitors to a comfortable working height.

COSINE

Time to make a stand

FEATURE PRODUCT

Cosine Sit/Stand Desking

Designed to reduce prolonged sitting time during office work. Cosine has been developed with an integral height adjusting mechanism, encouraging standing positions as an alternative.

OPTIONS

Single/Double

Manual crank handle

Electric mechanism - optional four position memory function

Fixed height, static bench at 740mm or 1050mm high

ADDITIONAL WORKSPACE IDEAS:

Symmetry Screens

Choice of heights, fabrics or opt for pinnable, acrylic and acoustic.

REGION

A collaborative table system

FEATURE PRODUCT

Region Tables

A stylish and innovative blend of organic and industrial design. Ideal for agile workspaces and meetings. Oak legs combine with a steel under structure with integrated cable management tray.

OPTIONS

Executive tops

Highest quality, prestigious 25mm MFC finishes (see page 29)

Nano Technology tops

Soft touch long lasting properties including anti-fingerprint, scratch resistance and hydro repellent to keep your workspace looking new. See page 29 for options.

Power and data options can be fully integrated.

ADDITIONAL WORKSPACE IDEAS

Matching meeting room storage

TABLES

For every scenario

FEATURE PRODUCTS

Meeting tables

From traditional to modern and collaborative to sit few or many with or without power/phone charging units. Tables come in a variety of shapes, sizes and leg styles to suit your space.

Media tables (opposite page)

Designed as a free standing unit with integrated technology, our Media Table is a great solution for any collaborative scenario, available at a standing or sitting height with a choice of base options.

OPTIONS

Shapes and sizes to suit

Cable management

Wireless charge points

ADDITIONAL INFORMATION:

Bespoke tailored functionality to suit your budget and requirements.

STORAGE

A place for everything

FEATURE PRODUCT

StorageWall

Create clean, efficient work environments by optimising storage needs whilst maximising available floor space.

OPTIONS

Comprehensive internal storage compartment choice

From filling fittings to cloakrooms and space for personal items

Standalone or fixed to existing walls

Bespoke projects

Configure to your exact needs

ADDITIONAL WORKSPACE IDEAS:

Recycling units

LOCKERS

Stow away belongings

FEATURE PRODUCT

Lockers

Take control of your personal space and configure neatly into your work environment.
